

WELCOME TO THE RESTAURANT AUGENBLICK

Our restaurant is in the heart of the Lower Rhine region, close to the city center,
not far from Krefeld and Düsseldorf, in an idyllic location between meadows and fields.

The region has a major influence on our cuisine.

We are always on the lookout for new regional products and specialties—fresh, down-to-earth, and exactly what we're looking for.

Rhenish is not a place, but a feeling

We source eggs, potatoes, meat, honey and dairy products from our immediate surroundings, just to give you a few examples. We attach great importance to freshness and what is in season. We refine these basic products for you with great respect and the necessary pinch of love and passion. Carefully selected wines, brandies, fruit schnapps and water from our bartender round off your stay with us.
